PROFESSIONAL EXPERIENCE

Zuri HNG

Front end Developer Intern

Remote

Sep 2023 - Oct 2023

- Led the development of modern, responsive web applications using React.js and Next.js.
- Collaborated with designers to implement pixelperfect UI/UX designs.
- Implemented SEO best practices to improve website visibility and performance.
- Conducted code reviews, mentored developers, and optimized the development process.
- Worked with RESTful APIs and GraphQL to fetch and display data.

ACTIVITIES AND LEADERSHIP

Zuri HNG

Moderator

Remote

Sep 2023 - Oct 2023

- Worked in a multicultural African team of five to identify, document, brainstorm and proffer solutions to Team HelpMeOut Chrome extension Project.
- Facilitated meetups and mentored teammates on approaches to key functionalities and 80% completed their works and projects.
- Regularly Participating in Project Management Meetings with Mentors.

PROJECTS

Movie Discovery Application

Sep 2023 - Oct 2023

- Designed and developed the user interface for a movie discovery app, focusing on a responsive and user-friendly design. Successfully Integrated TMDb movie APIs to collect data on movies including details, ratings and reviews. Ensured a smooth and efficient search experience by optimizing API requests.

Image PlayBox Application

Sep 2023 - Oct 2023

- Designed and developed an intuitive and user-friendly user interface for an Image search application. Implemented a Drag and Drop functionality to enable users to easily reorganize images within the application.

HelpMeOut Chrome Extension with Screen Recording and Playback UI

Sep 2023 - Oct 2023

- Integrated getDisplayMedia and getUserMedia methods into chrome extension APIs by injecting scripts on runtime and on tabs. Developed a separate web application with a user-friendly UI for video playback. Implemented a "Forgot Password" functionality that allows users to reset their passwords securely.
